## VIEWS

- 1162 Barn Raising: Give Kids a Smile ... Every Day**  
*JADA Editor Marjorie K. Jeffcoat, D.M.D., urges readers to contact their state representatives and stress the need for continued provision of Medicaid dental services for adults and children.*

## LETTERS

- 1164** *JADA readers explore life as a dental professional, caring for elderly patients and perioral dermatitis.*

## NEWS

- 1176** *The ADA's Give Kids a Smile access-to-care campaign was honored recently with a Summit Award from the American Society of Association Executives, the organization's highest accolade. JADA readers respond to the June Question of the Month.*

## TRENDS

- 1185 Tooth Loss and Dietary Intake**  
Hsin-Chia Hung, D.D.S., Dr.P.H.; Kaumudi J. Joshipura, B.D.S., Sc.D.; and colleagues  
*The authors assess the longitudinal relationship between tooth loss and changes in consumption of fruits and vegetables and of nutrients important for general health.*

## RESEARCH

- 1195 A Pilot Study of Risk-Based Prevention in Private Practice**  
James D. Bader, D.D.S., M.P.H., and colleagues  
*In this pilot study, the authors examine the application of risk-based prevention in private dental practices.*

- 1205 Two-Year Clinical Evaluation of a Packable Resin-Based Composite**  
L. Şebnem Türkün, D.D.S., Ph.D.; Murat Türkün, D.D.S., Ph.D.; Ferit Özata, D.D.S., Ph.D.  
*Dr. Türkün and colleagues evaluate the two-year performance of a packable posterior resin-based composite in Class I and II restorations.*

## CLINICAL PRACTICE

- 1215 Depth of Cure and Microleakage With High-Intensity and Ramped Resin-Based Composite Curing Lights**  
Poonam Jain, B.D.S., M.S.; Adam Pershing, D.M.D.  
*The authors determine whether high-intensity curing lights affect microleakage of resin-based composite restorations, and whether different types of resin-based composites meet the American National Standards Institute/American Dental Association specification for depth of cure when polymerized using these lights.*

## DENTISTRY & MEDICINE

- 1224 Adult Hemopoietic Stem Cell Transplantation**  
Steven D. Westbrook, D.M.D., M.S.; Eleonore D. Paunovich, D.D.S., M.S.; Cesar O. Freytes, M.D., F.A.C.P.  
*Dr. Westbrook and colleagues provide an overview of adult hemopoietic stem cell transplantation, emphasizing the oral complications and required supportive dental care.*

## ADVANCES IN DENTAL PRODUCTS

### 1232 Orthodontic Treatment With a Series of Removable Appliances

David A. Chenin, D.D.S., and colleagues

*The authors present three case reports that describe the use of a series of clear removable appliances to align teeth.*

## PRACTICAL SCIENCE

### 1240 Manual Versus Powered Toothbrushes: The Cochrane Review

Richard Niederman, D.M.D.

*Dr. Niederman provides a synopsis of the Cochrane Oral Health Group's report on powered versus manual toothbrushes.*

## CONTINUING EDUCATION

### 1245 JADA's continuing education program highlights tooth loss and dietary

*intake, clinical evaluation of a packable resin-based composite, resin-based composite curing lights and manual versus powered toothbrushes.*

## DENTISTRY & THE LAW

### 1249 Physician Group Agrees to Settle Price-Fixing Charges

Peter M. Sfikas, J.D.

*A New Mexico physicians' association, its executive director and several physicians have agreed to a settlement with the Federal Trade Commission over charges that they agreed to fix prices and refused to deal with payers who would not accept certain terms.*

## GORDON J. CHRISTENSEN, D.D.S., M.S.D., Ph.D.

### 1253 The Confusing Array of Tooth-Colored Crowns

*Dr. Christensen provides an overview of the available types of tooth-colored, non-metal-containing crowns and fixed prostheses and makes suggestions about the most appropriate clinical situations for their use.*

## A BETTER PRACTICE

### 1258 Setting Your Practice Goals

Roger Levin, D.D.S., M.B.A., F.A.C.D.

*Dr. Levin presents the basics of goal setting for dental practices.*

## ASSOCIATION REPORT

### 1260 A Legal Perspective on Antibiotic Prophylaxis

ADA Division of Legal Affairs

*This statement is intended as a companion to the advisory statement "Antibiotic Prophylaxis for Dental Patients With Total Joint Replacements," published in the July issue of JADA.*

### 1261 ADA Business Program: 2003 House of Delegates

*The program schedule and list of delegates are provided.*

### 1269 2003 ADA Annual Session Concurrent Meetings

*Meetings to be held on or near the dates of the 2003 annual session are listed.*
