

CONTENTS

- 5S **Oral Health and Older Adults:** Oral Health and the Aging Population
R.L. Ettinger
The guest editor provides an overview of oral health and the aging population, with a focus on functionally independent older adults.
- 7S **Systemic Diseases:** The Influence of Systemic Diseases on Oral Health Care in Older Adults
C. Scully, R.L. Ettinger
The authors review some of the management issues associated with selected systemic diseases common in older adults who are functionally independent.
- 15S **Dry Mouth:** Dry Mouth and Its Effects on the Oral Health of Elderly People
M.D. Turner, J.A. Ship
The authors conduct a literature review to summarize information about the etiology, diagnosis, oral sequelae and treatment of dry mouth in elderly patients.
- 21S **Erosive Tooth Wear:** A New Look at Erosive Tooth Wear in Elderly People
D. Bartlett
The author describes the clinical appearance of, and outcomes associated with, erosive tooth wear.
- 26S **Periodontal Disease:** The Epidemiology, Consequences and Management of Periodontal Disease in Older Adults
T.K. Boehm, F.A. Scannapieco
The authors review the literature on periodontal disease in older adults, focusing on significant sequelae and therapy in this population.
- 34S **Tooth Replacement:** Dental Implants: A Role in Geriatric Dentistry for the General Practice?
C.M. Stanford
The author reviews specific issues concerning the aging population and tooth replacement therapies.
- 41S **Mucosal Lesions:** Mucosal Lesions in Older Adults
S. Silverman, Jr.
The author examines the role of the dental practitioner in diagnosing mucosal lesions in older adults.
- 47S **Quality of Life:** Quality of Life as an Indicator of Oral Health in Older People
M.I. MacEntee
The author examines the literature relating to the assessment and measurement of quality of life as influenced by oral health.
